

**ENKĚTO**  
**SMART PAPER**

# Martijn van de Rijdt

Enketo LLC, Columbia University

MSF, ACF, ECHO, UNHCR, RED CROSS, CARE,  
CAFOD, CORDAID

<http://enketo.org>  
<http://formhub.org>

What problem is it solving?

What does it do?

Where is it used?

How to deploy?

# Intermittent Internet Connectivity

## 'Native' App

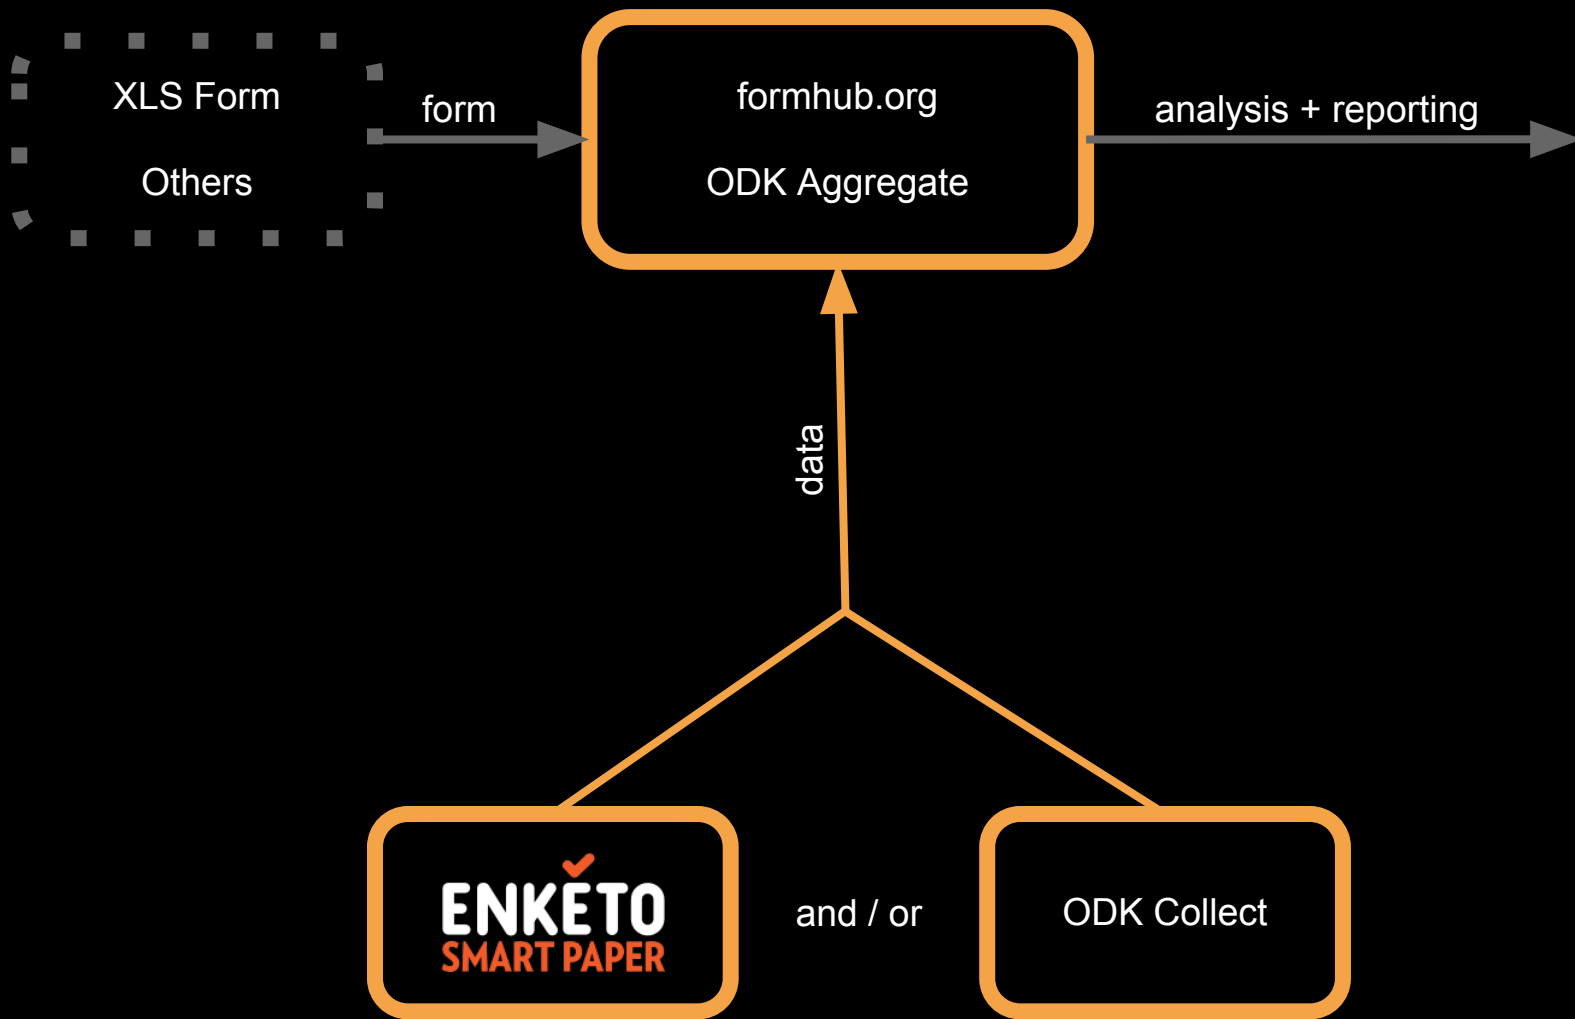

- logistics
- installation
- updates
- future-proof?
- collection OR entry
- + technologies

## Web

- + logistics
- + 'installation'
- + updates
- + future-proof
- + collection AND entry
- technologies

<http://enketo.org>

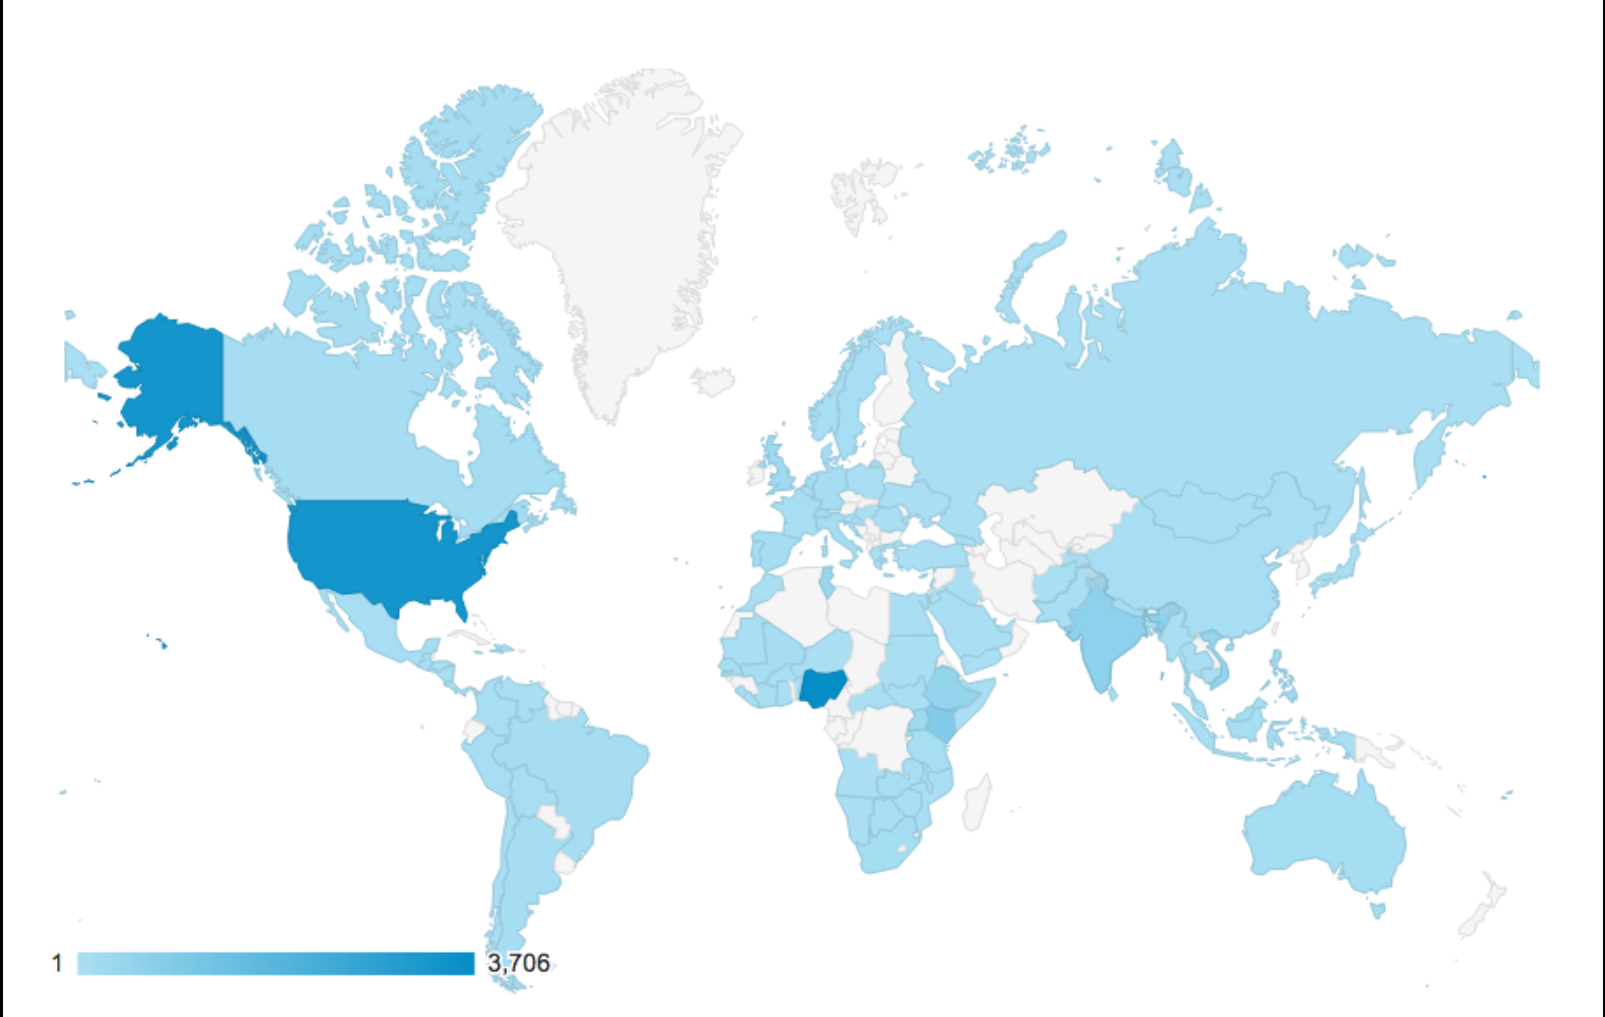

# Complementary

	ODK Collect	ENKETO 
support for collection with pen + paper	-	+
installation + maintenance	-	+
logistics	-	+
support for media input	+	-
support for barcode scanning	+	-
large text input	-	+
save as draft	+	-

# Where is enketo used?

- 5000+ launched surveys this week (known)
- various groups have installed it themselves
- active community on Google Groups (fh)
- many orgs are planning to adopt it

# How to deploy?

- [formhub.org](https://formhub.org)
  - free
  - fully integrated
  - active community
  - totally awesome
  
- [enketo.org](https://enketo.org) (July/August)
  - branding
  - theming
  - APIs
  - SLAs (future)

# Future

- increase speed even further
- support authentication
- print-friendlier, further design improvements
- make project **sustainable** through robust paid service at [enketo.org](https://enketo.org)
