

Invitation to The NOMAD Workshop

22nd and 23rd March 2012, Geneva.

PROJECT CONTEXT

Since September 2010, iMMAP has been coordinating a project entitled 'Humanitarian Operations Mobile Acquisition of Data' (NOMAD). The project is funded by the Centre National d'Etudes Spatiales and aims to develop an economically and operationally sustainable service in the provision of remote data collection and transmission systems.

The project is currently ending and the launch of the NOMAD service will be presented during this event.
